PROFILE

Performance-focused e-commerce marketer helping brands turn paid traffic into measurable revenue. I build Meta advertising systems, conversion-led creative and social strategies that grow reach, leads, orders and repeat customers.

CORE EXPERTISE

Meta Ads Campaigns

Facebook and Instagram campaign strategy, audience research, testing and scaling.

E-Commerce Growth

Conversion-led traffic, product-focused offers and performance optimisation.

Social Media Strategy & Content

Growth plans, scroll-stopping creatives and short-form content for customer acquisition.

Analytics & Reporting

Clear reporting focused on revenue, ROAS, leads, orders and actionable next steps.

Lead Generation & Community Management

Lead funnels and consistent community engagement that build customer loyalty.

SELECTED PERFORMANCE HIGHLIGHTS

\$2.8M+ revenue generated | 18.6x average ROAS | 50M+ people reached | 2,500+ leads generated

E-commerce case studies include UK, US and UAE store-growth campaigns.

SELECTED PROJECT EXPERIENCE

UK Store Performance

Optimised campaign structure and conversion-led traffic to improve store performance.
Recorded result: GBP 3,880 in sales, 71 orders and 2,776 sessions.

US Revenue Growth

Scaled purchase-ready audiences and winning ad sets against live sales data.
Recorded result: US\$19K in sales, 409 orders and 8,187 sessions.

UAE Store Results

Combined creative positioning with campaign optimisation around sales-driving audiences.
Recorded result: AED 6,941 in sales, 67 orders and 1,292 sessions.
